**These classes are for certified technicians ONLY.** For registration please contact **Tracy Winsky @ 404-608-4710.** Attached is a registration form that can be completed and E-mailed.

**All registration must be completed two week prior to class starting date.**

*Class size will be limited to 36 participants per session. Thomaston and Forest Park will accept 48 per session.*

The scope of this training is to review guidelines for Roadway Materials sampling and Testing and Asphalt Plant sampling, testing and inspection in accordance with Department policies, procedures and specifications. These classes will provide general and updated information for **certified** Roadway Testing Technicians or QCT Level I and Level 2 Technicians.

Attendees: All participants will be required to bring calculators, pens or pencils and a printed copy of the Study Guide from GDOT web site prior to attending these classes. The Study Guide can be found at:  
<http://www.dot.state.ga.us/doingbusiness/trainingresources/technician/Pages/default.aspx>
